Any additional items/care will be charged on a per item basis according to the farm Service Fees Chart.

Recovery Board includes: All the items & limits listed in Full Board, except turnout will be based on horses condition and vet recommendations. The monthly charge is higher to account for additional work/time constraints due to limited turnout times, additional stall picking/cleaning needed if the horse is in more hours of the day than usual according to farm standards. Also, additional charges will be added on an per item basis according to the farm Service Fees Chart. This will depend upon how involved the owner is in the additional care required for their horse and how much care the horse requires.

4. Deposits for stalls/space to be held are to be made for one month's board rate. Deposits are NOT refundable. The deposit will be used for Horse Owner's first months board.

5. A regular veterinary, de-worming and farrier schedule will be maintained by the Horse Owner and any pertaining services/products paid for by the Horse Owner. Hogback Hill Farm can arrange for and carry out these services for you according to the farm Service Fee Chart. All vet and farrier bills will be paid by the Horse Owner.

6. In the event of sickness and/or injury to the horse, after reasonable efforts to contact the Horse Owner have failed, Hogback Hill Farm has permission to contact a veterinarian for any necessary treatment for the horse and the veterinarian bill will be paid for by the Horse Owner.
